MCDONALD'S RESTAURANTS ASSIST THE OFIC

DAYTON, Ohio, May 4, 1982 -- McDonald's Restaurants throughout Ohio assisted the University of Dayton as well as 34 other Ohio independent colleges by raising over \$45,000 for the Ohio Foundation of Independent Colleges (OFIC) on Sunday, May 2.

Approximately 285 McDonald's Restaurants gave a nickel from every dollar taken in that day to OFIC. According to Al Ball, president of the McDonald's Operators Association of Ohio, the "Only A Nickel" campaign was a success. The monies raised will benefit more than 60,000 students on 35 campuses.

"The members of the Foundation are extremely grateful to McDonald's for this contribution," said OFIC president Ben Sprunger. OFIC represents the largest single source of unrestricted gift income for 85% of the member colleges. Because of its enrollment, the University of Dayton receives the largest share of the Foundation's funds.
